

# YOUR 24 HOUR RAPID RESPONSE SOLUTION

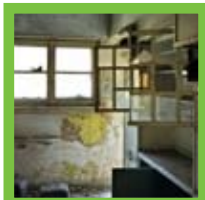

## **WHAT DO YOU NEED FROM A DEEP-CLEANING AND DECONTAMINATION COMPANY?**

Eradicate UK provides a prompt reliable 24-hour service that's tailored to meet the needs of our customers.

Our experienced professional teams are equipped to deal with everything from pest control and bird management to removal/disposal of hazardous materials and deep-cleaning of properties.

These days, it's not just a question of doing the job properly. That's why, after every job, we supply a Certificate of Cleanliness that proves it's been done. Our work is fully insured and we are licensed by the Environment Agency to transport hazardous waste.

To achieve the best possible results, we use the latest technology and the best materials. But the real benefit comes from using a reliable, responsible and experienced team of people who understand the issues and apply the right solutions – a combination that's designed to minimise impact on other people.
